An App for Building your Own Personalized Computer

Pc-R-Us

A FRIENDLY APP FOR BUILDING YOUR OWN PC

Have you ever wanted to create a PC but don't know where to begin?

Well have a look at our app!

Why We Created Pc-R-Us

TO HELP PEOPLE MAKE PC EASIER
People struggle on making self-built computers as they think it is difficult. However, we try to lessen that difficulty by making it easy to get their desired PC Parts.

TO GIVE USERS PEACE OF MIND
Ordering from us is 100% safe and all the parts are compatible within everything from the shop.

TO FREE PEOPLE FROM GETTING RIPPED OFF
There are a lot of places where prices are higher than what they should be. We make sure to give you the lowest price possible.

This is the main ordering menu. Users who are planning on building a PC only need to click on one per category, while taking in mind what their budget is.
